### WE WILL LEARN TO:

- Make shifts towards equity in both ideology and professional practice
- Build relationships and share ideas with other educators and community partners
- Recognize and respond to inequity in your classroom, school, and district
- Commit to interrupt racism and build more equitable learning communities
- Practice critical questioning, cultivate connection, and inspire action.

## THE DISCOVERY CENTER

Our mission is to build an equitable and just world where everyone has what they need to grow and thrive. We work in partnership with youth, families, schools, and communities to facilitate nurturing spaces where people can understand and challenge systemic racism and oppression.
